

## Installation Engineer – London Based

### Company Overview

Record UK, part of the globally renowned ASSA ABLOY Group, is a leading UK specialist in automatic pedestrian door systems, benefiting from the scale, stability and international reputation of a Fortune Global 500 company operating in over 40 countries. We design, manufacture, supply, install and service an extensive range of automated door systems and aluminium shopfronts for clients across sectors including retail, transport, healthcare, commercial buildings and the public sector, helping millions of people move safely and efficiently through buildings every day.

Due to continued growth and increasing demand for our services, we are now seeking a suitable candidate to join our installation team.

Joining Record UK means becoming part of a business that is:

**Growing and Future-Focused:** We are continuously investing in innovation, digitalisation, sustainability, and the development of our people—ensuring that those who join us are part of a company shaping the future of entrance solutions.

**Industry-Leading:** Our engineering excellence, product reliability and nationwide service capability have made us one of the most trusted names in the automatic door industry. You'll be working with market-leading technologies and solutions that set the benchmark across the sector.

**Global Strength, Local Impact:** While we operate at an international scale, we maintain a strong UK identity with teams across the country delivering outstanding service to local clients. This combination of global stability and local agility creates a unique and rewarding working environment.

**A Place to Build a Career:** Whether you're an experienced professional or growing your career, Record UK offers clear pathways for development, training, and progression. Our supportive culture values collaboration, innovation and customer excellence - empowering you to make a real impact.

### Job Description

#### Installation and On-Site Work

- Install automatic door systems and aluminium shopfronts at customer premises and active construction sites
- Work independently and as part of a team to deliver high-quality installations
- Carry out work safely, efficiently, and in line with industry standards and regulations

#### Planning, Coordination, and Communication

- Liaise daily with the Project Manager and Installation Planner to schedule work and ensure timely project completion
- Complete and submit all required paperwork accurately and promptly
- Travel from the nearest hub to sites across the surrounding areas, with occasional weekend working as required

#### Compliance and Quality

- Contribute to ISO Business Management systems
- Ensure all work complies with relevant standards, including BS7036 / EN16005
- Always maintain a professional and customer-focused approach

### **What we are looking for**

- 3 years + experience installing automatic doors and aluminium shopfronts
- Full UK driving licence
- BS7036 / EN16005 registered
- Valid CSCS card
- Strong organisational and communication skills
- Excellent customer service skills
- Ability to work both independently and as part of a team
- Ability to work under pressure and meet deadlines
- Willingness to carry out night work as required by customers
- Positive, enthusiastic attitude
- Enhanced DBS check (to be carried out)

### **What will set you apart?**

- Previous experience working on Record products
- Proven experience working on live construction sites
- NVQ in Specialist Occupations (e.g. Door, Gate, and Shutters) – preferred but not essential
- A flexible and proactive approach to work, including travel and varied working hours
- Strong problem-solving skills and attention to detail
- Commitment to delivering high standards of workmanship and customer satisfaction

### **Benefits of working at Record UK**

As part of Record UK, you'll enjoy a rewarding career with benefits designed to support your well-being and professional growth. These include:

- 33 days of annual leave (incl. Bank Holidays)
- Door to door travel paid
- Efficiency bonus scheme
- Life assurance scheme
- Enhanced sick pay
- Annual salary review scheme
- Christmas shut down period with an ex-gratia half day on Christmas Eve
- Access to an online employee benefits portal
- Access to an extensive online training portal
- Access to an Employee Assistance Program

Additionally, you will be provided with:

- A company van
- Power tools required to undertake tasks
- Company mobile telephone and tablet
- Uniform & PPE

If you are ready to take the next step in your career, we'd love to hear from you! Apply now by sending your CV and covering letter to [recruitment@recorduk.co.uk](mailto:recruitment@recorduk.co.uk) with the subject line 'Installation Engineer – 'London Location'.
