

Aluminum Door Fabricator

Company Overview

Record UK, part of the globally renowned ASSA ABLOY Group, is a leading UK specialist in automatic pedestrian door systems, benefiting from the scale, stability and international reputation of a Fortune Global 500 company operating in over 40 countries. We design, manufacture, supply, install and service an extensive range of automated door systems and aluminium shopfronts for clients across sectors including retail, transport, healthcare, commercial buildings and the public sector, helping millions of people move safely and efficiently through buildings every day.

Due to continued growth and increasing demand for our services, we are now seeking a suitable candidate to join our Production team, based at our Head Office in Blantyre.

Joining Record UK means becoming part of a business that is:

Growing and Future-Focused: We are continuously investing in innovation, digitalisation, sustainability, and the development of our people—ensuring that those who join us are part of a company shaping the future of entrance solutions.

Industry-Leading: Our engineering excellence, product reliability and nationwide service capability have made us one of the most trusted names in the automatic door industry. You'll be working with market-leading technologies and solutions that set the benchmark across the sector.

Global Strength, Local Impact: While we operate at an international scale, we maintain a strong UK identity with teams across the country delivering outstanding service to local clients. This combination of global stability and local agility creates a unique and rewarding working environment.

A Place to Build a Career: Whether you're an experienced professional or growing your career, Record UK offers clear pathways for development, training, and progression. Our supportive culture values collaboration, innovation and customer excellence - empowering you to make a real impact.

Job Description

We are looking for a reliable, hardworking Fabricator to join our team based in our factory in Blantyre. The successful candidate will be responsible for the fabrication and assembly of senior architectural door systems, as well as Record UK aluminium systems (full training will be provided).

Key duties include product assembly, ensuring quality standards are met in line with drawings and customer specifications, and completing orders to achieve on-time delivery in full (OTIF). You will identify and resolve production or quality issues, minimise waste, and ensure materials are handled and used correctly.

The role also involves maintaining high personal performance standards, adhering to company processes and Health & Safety requirements, and ensuring the workspace meets 5S standards (clean, organised, and controlled).

Additional responsibilities include offloading bulk materials, safely storing them, and operating forklift trucks where required (training provided).

You must comply with all legal, environmental, and duty of care responsibilities, and be willing to undertake additional tasks as directed by management.

What Are We Looking For?

- Reliable and hardworking individual with a strong work ethic
- Experience in aluminium fabrication, manufacturing, or assembly environments
- Ability to follow technical drawings and specifications
- Strong attention to detail and commitment to quality
- Good problem-solving skills and ability to raise and resolve issues quickly
- Ability to work independently and as part of a team
- Strong timekeeping, attendance, and organisational skills
- Awareness and understanding of Health & Safety practices
- Willingness to learn new skills and undertake training (e.g. aluminium systems, forklift operation)

What Will Set You Apart?

- Experience working with aluminium systems or architectural door products
- Knowledge of 5S or continuous improvement principles
- Forklift licence or previous operating experience
- Proactive approach to identifying improvements and reducing waste
- Strong sense of ownership and pride in work
- Positive attitude and reliability in a fast-paced production environment

Benefits of working at Record UK
