

Installation Engineer

Company Overview

Record UK, part of the globally renowned ASSA ABLOY Group, is one of the UK's leading specialists in automatic pedestrian door systems and a key contributor within a group recognised worldwide as the most innovative access solutions provider. As part of ASSA ABLOY, a Fortune Global 500 company operating in over 40 countries, we benefit from the scale, stability and international reputation of an organisation consistently investing in cutting-edge technology, sustainability, and long-term growth.

Due to continued growth and increasing demand for our services, we are now seeking a suitable candidate to join our Install Engineering team, based at our Dewsbury hub.

Joining Record UK means becoming part of a business that is:

Growing and Future-Focused

With the backing of ASSA ABLOY and an expanding UK presence, Record UK is on a strong growth trajectory. We are continuously investing in innovation, digitalisation, sustainability, and the development of our people—ensuring that those who join us are part of a company shaping the future of access solutions.

Industry-Leading

Our engineering excellence, product reliability and nationwide service capability have made us one of the most trusted names in the automatic door industry. You'll be working with market-leading technologies and solutions that set the benchmark across the sector.

Global Strength, Local Impact

While we operate at an international scale, we maintain a strong UK identity with teams across the country delivering outstanding service to local clients. This combination of global stability and local agility creates a unique and rewarding working environment.

A Place to Build a Career

Whether you're an experienced professional or growing your career, Record UK offers clear pathways for development, training, and progression. Our supportive culture values collaboration, innovation and customer excellence - empowering you to make a real impact.

Why Join Us?

You'll be joining a well-established industry leader, working with cutting-edge automatic door systems and aluminium shopfronts for commercial and industrial clients. This is a hands-on, varied role where no two days are the same. You'll be part of a dynamic team that values quality, safety, and customer satisfaction, with opportunities to work within a strong team and further develop your technical expertise.

What will you be responsible for?

Installation and On-Site Work

- Install automatic door systems and aluminium shopfronts at customer premises and active construction sites
- Work independently and as part of a team to deliver high-quality installations
- Carry out work safely, efficiently, and in line with industry standards and regulations

Planning, Coordination, and Communication

- Liaise daily with the Project Manager and Installation Planner to schedule work and ensure timely project completion
- Complete and submit all required paperwork accurately and promptly
- Travel from the nearest hub to sites across the surrounding areas, with occasional weekend working as required

Compliance and Quality

- Contribute to ISO Business Management systems
- Ensure all work complies with relevant standards, including BS7036 / EN16005
- Maintain a professional and customer-focused approach at all times

What Are We Looking For?

- 3 years + experience installing automatic doors and aluminium shopfronts
- Full UK driving licence
- BS7036 / EN16005 registered
- Valid CSCS card
- Strong organisational and communication skills
- Excellent customer service skills
- Ability to work both independently and as part of a team
- Ability to work under pressure and meet deadlines
- Willingness to carry out night work as required by customers
- Positive, enthusiastic attitude
- Enhanced DBS check (to be carried out)

What Will Set You Apart?

- Previous experience working on Record products
- Proven experience working on live construction sites
- NVQ in Specialist Occupations (e.g. Door, Gate, and Shutters) – preferred but not essential
- A flexible and proactive approach to work, including travel and varied working hours
- Strong problem-solving skills and attention to detail
- Commitment to delivering high standards of workmanship and customer satisfaction

Benefits of working at Record UK

As part of Record UK, you'll enjoy a rewarding career with benefits designed to support your well-being and professional growth.

These include:

- Competitive Salary
- 33 days of annual leave (incl. Bank Holidays), increasing with length of service to 35 days
- Door to door travel paid
- Efficiency bonus
- A company van, power tools, mobile and tablet
- Snickers uniform
- 3 x life assurance scheme
- Enhanced sick pay
- Annual salary review scheme
- Access to discounted retailers, cinema, gym memberships via our employee benefits portal
- Access to an extensive online training portal
- Access to an Employee Assistance Program
